Monthly tuition rates are based on a 12-month calendar. Breaks and closures have been taken into consideration for the year when calculating the tuition rates. Payments are non-refundable and cannot be prorated for vacation, sick days or unexpected school closures.

I understand that I am responsible for keeping a credit or debit card up to date on the Kinderlime system. Transaction fees apply.

I understand I will receive a monthly tuition statement before the payment due date.

All balances due will be automatically processed using the payment information on file on the 1st day of the month.

I understand that I am responsible for resolving any balance concerns before the 25th of the preceding month.

I understand that if I do not want to use the card on file to process payment, I may pay with a check or cash on or before the 25th of the proceeding month. Account balances remaining after the 25th will be automatically processed on the 1st of the month using the card on file.

Late payments or payments that are unable to be processed will result in late fees.
