

What Your Child Will Need at LOMA

Welcome to Little Oaks Montessori Academy! As a new enrollee in the program, we would like to make this transition an easy one for you and your child. The following is a list of what your child will need to have at school. Please remember to label all personal items, including clothes, lunch boxes, blankets.

General Attire

- Children should come dressed in comfortable clothes. Your clothing choices should reflect your child's developmental stage. For example, children learning to crawl should not wear dresses or footed outfits. You should also consider the fact that children are busy at work and play and can get messy throughout the day. If for any reason your child is wearing a special outfit, make sure to bring a change of clothes that day.

Extra Clothing

- Two complete changes of clothes (three for infants) to be kept at school and labeled with your child's name.
 - Superheroes and violent characters on clothing are highly discouraged.
- Indoor closed toe shoes with Velcro fasteners
- Outdoor closed toe shoes with Velcro fasteners
- Two face masks to be kept at school (Toddler & Primary)

Nap Equipment -All sheets go home on Fridays to be washed and brought back Mondays

Infants:

- An infant sleep sack or other clothing for sleep; to be used as and should be lightweight to avoid overheating. (The use of blankets is no longer recommended for children under 12 months old.)

Toddlers & Primary:

- A thin blanket (cot sheets are provided by LOMA).

Diaper Supplies for Infants & Toddlers

- A large supply of diapers.
- A container of wipes or an alternative.
- Non-medicated ointments (as needed). A non-prescription over-the-counter form must be filled out prior to use.

Feeding Supplies

Infants:

- Bibs (small bibs are enough for bottle feedings; large, plain terry cloth bibs are needed for meals).
- Prepared bottles should be brought in each day. Include enough plus one extra in case of emergency.
- All bottles for infants and all food brought from home must be labeled each day with the child's name and the date. If food is prepared at home, it must be labeled with the content. Please remember we are a nut free school
- Baby food -jar foods and infant cereal (the Center only provides "table foods")

Toddlers & Primary:

- All food brought from home must be labeled each day with the child's name and the date. If food is prepared at home, it must be labeled with the content as well. Please remember we are a nut free school.
- All lunch boxes also must have the child's name on them if they bring food from home

Seasonal Outdoor Attire

- For winter – mittens, hat, winter coat, and boots.
- For spring and fall – hat and a light jacket.
- For summer –Sunscreen and a sun hat.

Medicine

- Little Oaks Montessori Academy does have staff trained in medication administration. We would like to keep medication administration limited to only emergency medications. Over-the-counter and prescription medications should be administered at home. If your child has any other medication needs, please speak to LOMA management.

Please label all personal items with your child's name. Valuables and toys should be left at home. If you have any questions, please feel free to contact us at 571-336-2559.
